Alec,
It's been a good
year here, as far
as you're concerned,
in track, and the
rest of the year went
to fast for evaluation,
I hope you take a
filing at some sport in
college, it would give you
good satisfaction, I feel.
Best of luck
Mike Klahouch

Hi Alec,
We've been going to
school together since the good
old days at Millwood. Remember
how we darned near got in a fight
over a towel in the locker room
there. I've enjoyed sitting next to you
in classes and working with you in
and enjoyed a lot of determination
congratulations on being the fastest miler
in W.V.'s history. I hope your record stands
for a long time. Good luck,
Doug Orme

West Valley High School

Millwood, Washington

Alma Mater

In the vast lands of our valley,

glorious to view.

Stands our noble ALMA MATER,

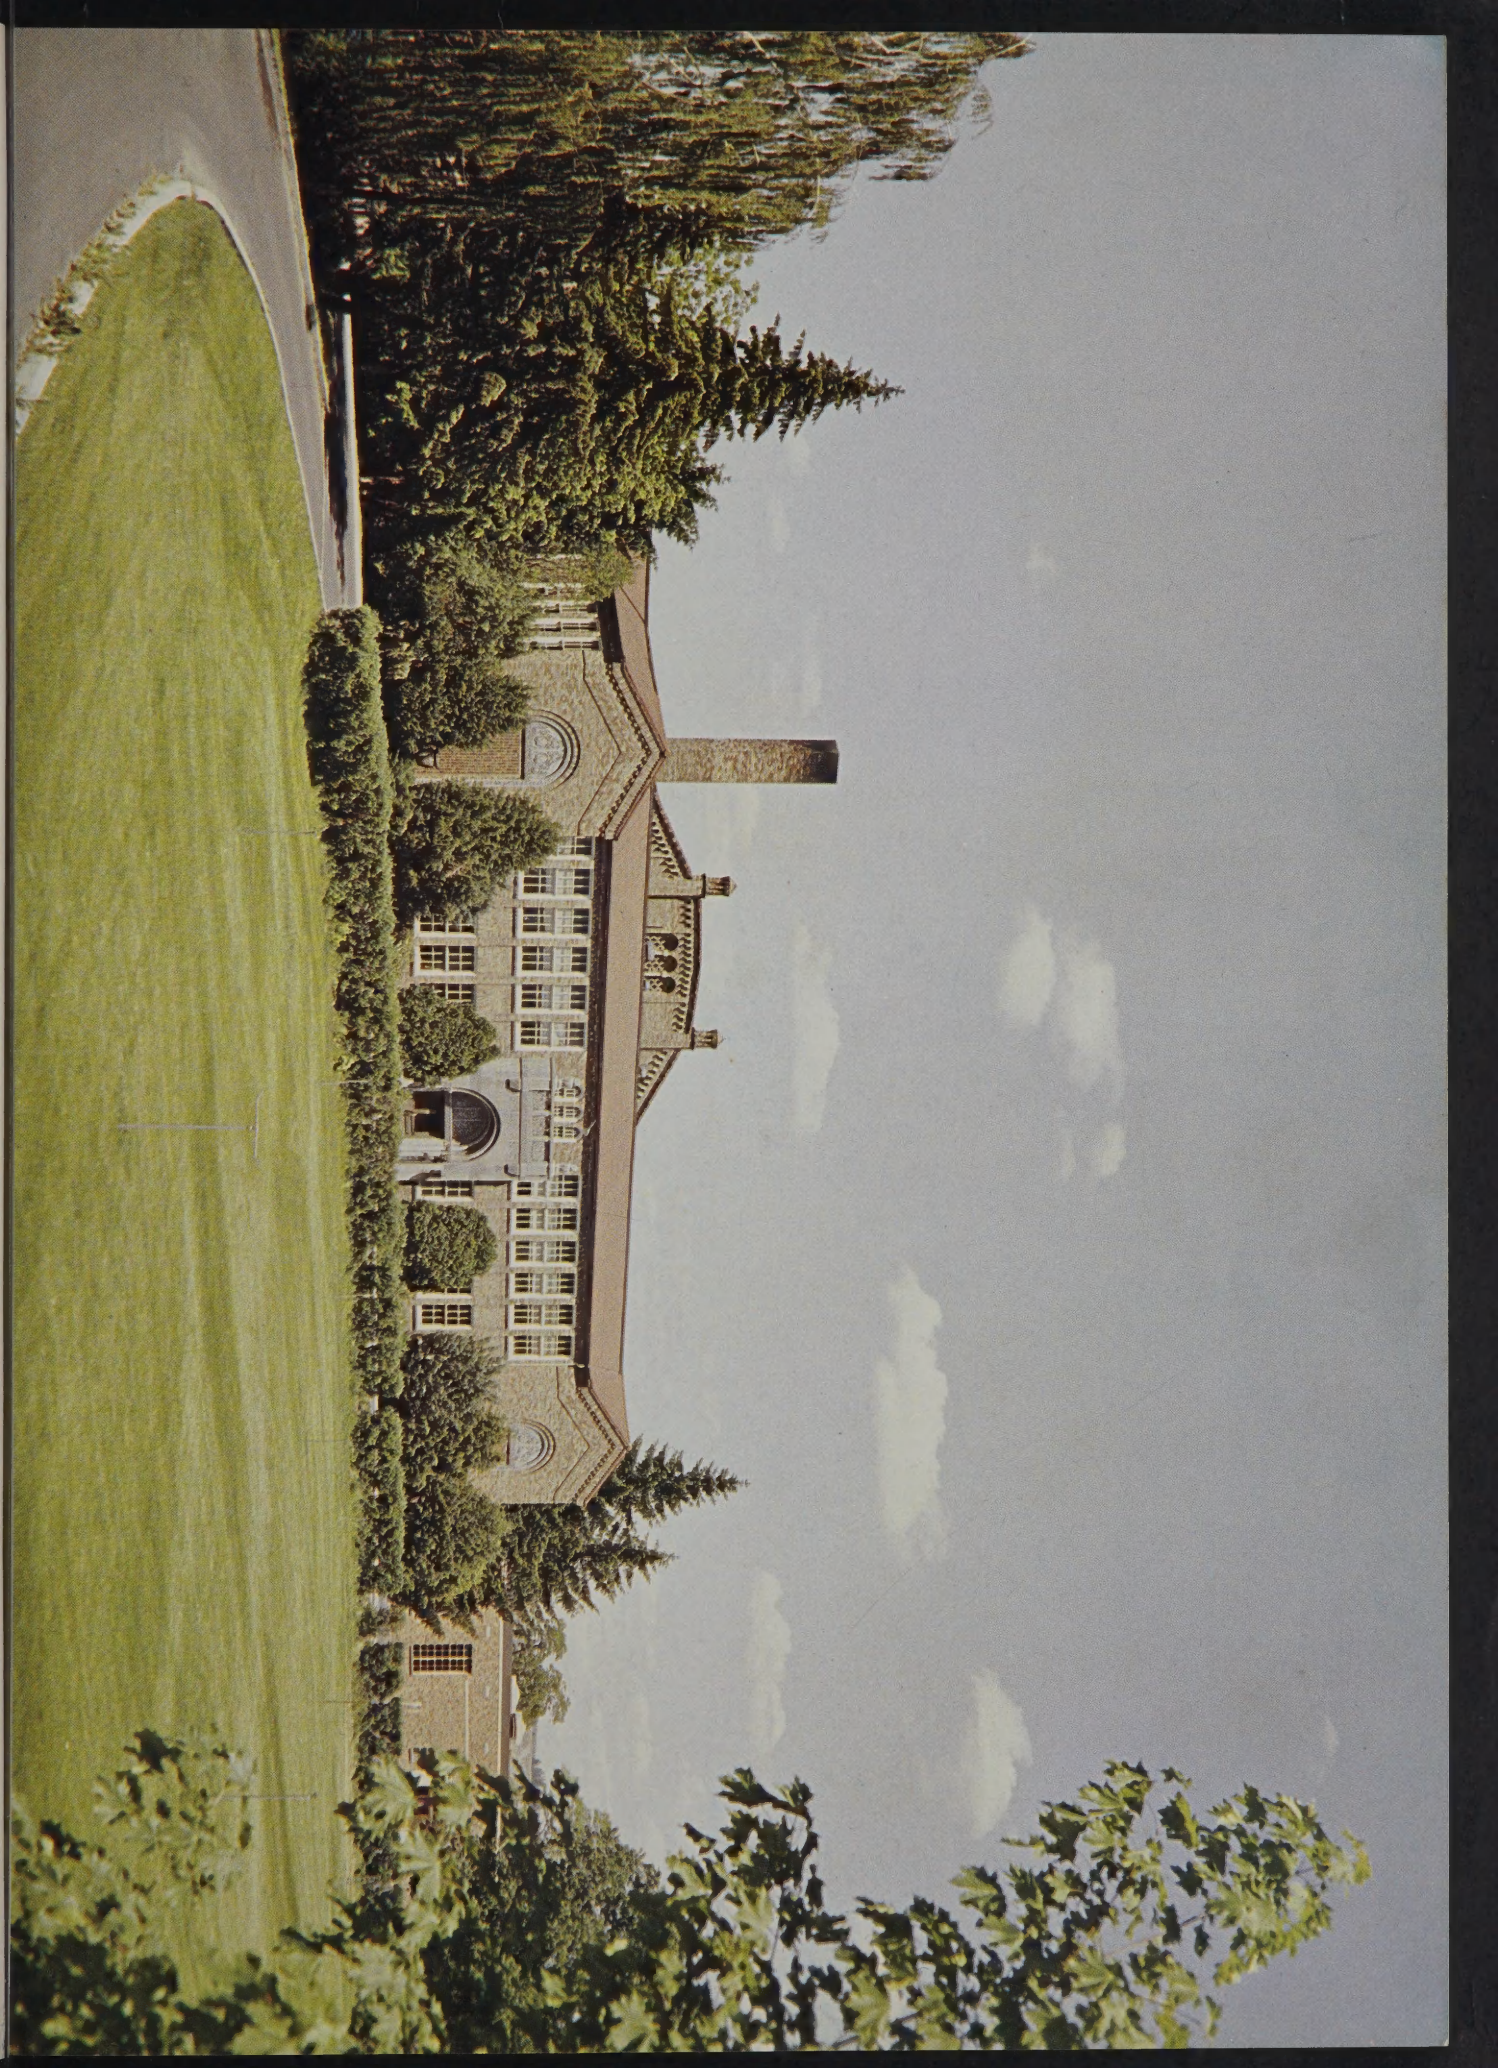

with her colors true.

Swell the chorus, speed it onward,

sing her praises loudly.

Hail to thee, our ALMA MATER,

hail, West Valley High.

An unquenchable enthusiasm and a ready smile have earned the respect and admiration of your students. Sincere appreciation goes to you for your cooperation and interest in our yearbook. In thanks, we the Senior Class of 1961 dedicate our Eagle to you, Miss Phyllis Gazette.

Foreword

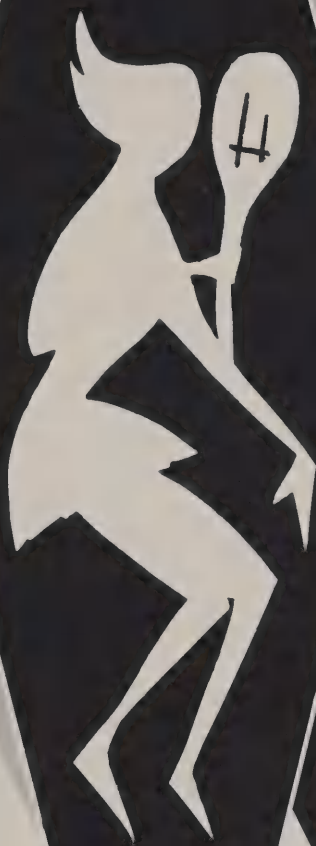

The school year is about over. Soon many of us will walk out of these doors, never to return. Some of us will be happy; some of us will be sad; others will be bewildered by the future. But most of us will be prepared to face the coming years.

In the 1961 Eagle we have endeavored to reflect West Valley school life as we have known it. And now we present to you, the students and faculty, your 1961 Eagle.

The Eagle Staff

Mac,
He's been
a real nice
in this year. In
we that you'll
continue on the
road to
success.
Good luck
in every-
thing you do.

Your friend,
Susan

THE HEAD TABLE

Coach and Mrs. Heathcote, Superintendent and Mrs. Hitchcock, Principal and Mrs. Mills, and Mr. and Mrs. Ward Maurer.

The annual basketball banquet sponsored by the Senior Counselors was held March 22, 1960. At this time the inspirational award was presented to Joe Petit.

"Food Coming Up"

Among the many guests were the basketball players, cheerleaders, Senior Counselors and sports writers. Junior girls served.

This is how the new high school unit looks in 1960. Soon the second floor will be finished. Then in two or three years a complete high school plant will be standing here, but we seniors came along too soon for that.

In Memoriam

Hobart E. Rowlands, at West Valley High School for twenty-seven years, served as teacher, advisor, principal, News director and school photographer and as a friend to students and faculty.

Mr. Rowlands received his early education in Delaware, Ohio, where he was born October 20, 1898. He was granted both his B.A. and M.A. degrees from Ohio State University and was always proud of his "Buck-eyes." After teaching at the University of Maine and writing for newspapers in Palmer, Massachusetts, and New Rochelle, New York, he taught at North Central High School in Spokane for seven years, then came to West Valley.

Mr. Rowlands was a lover of music, playing both piano and organ; he was a student of French and Spanish; he was a sportsman, particularly interested in hunting and fishing.

Mr. Rowlands is survived by his wife, Emma Louise, a teacher at Orchard Center School; a son, Bruce, who is a jet pilot in the Air Force, and three grandchildren in Riverside, California.

We offer this memorial to Hobart E. Rowlands, our beloved teacher and advisor, as a small token of our love, our respect and our gratitude to him.

"He was a dedicated teacher, true to his God, his country, his church and his fellow man. He worked to the last moment of his busy life in the interests of others. The world is richer because he lived."

—Robert Stephens

Our Senior Year

In 1961 we will leave these hallowed halls. We have been an outstanding class in many respects but we are noted most for our high scholastic ability and our individuality. Realizing the work there was to be done we elected those officers which we thought best could represent us. They were: Ron DeFelice, president; Ron Anderson, vice-president; Marilyn Jones, secretary; Joyce Johnson and Roger Korus, girls' and boys' treasurer respectively; Jerry Johnson, girls' representative; Gene Henry, boys' representative.

The leaders of other organizations along with our class officers have introduced many new ideas for the betterment of our school. We salute Larry Schreck, student-body president; Mary Jane Truseoff, Girls' League president; Tom Asbury, boys' federation president; Beth Dierken, Pep Club president, and Sam Tortorelli, Lettermen's Club president, for jobs well done.

The spring officers have not been elected at this time; however, the campaign for student body officers is underway. This campaign is one of the largest in the history of West Valley. The whole school has participated by making posters and various "gimmicks" that have made this election an exciting part of the year.

This year we seniors had the privilege of acting as a host to neighboring schools for the college conference. Each representative from the regional colleges gave us a better insight of his school. That day many of us made up our minds as to which college we would like to attend.

One of the projects we seniors have been looking forward to is the Senior Ball. This year the dance will be held in the plush Marie Antoinette Room at the Davenport Hotel in downtown Spokane. The French theme is Mystique.

We chose as our class colors light blue and silver, and a white rose for our flower. Our class motto is:

"Our glory is not in never falling, but in rising every time we fall." May each of us find wisdom in these words as we leave West Valley.

Our Junior Year

Here we are juniors at last, and one step closer to the top. With shining eyes we plunged into more and more activities; Pep Club, varsity sports, and cheerleading, just to mention a few. With Denny Yale as president; Bob Caudill, vice-president; Nancy Gray, secretary-treasurer; we sponsored another successful Sadie Hawkins dance. Then, to really highlight the year, we planned a lovely Junior Prom. Now we leave behind us three wonderful years, with the best one yet to come.

Well Alec, at least you're getting out of here, even if I'm not quite yet. I've seen you run, Alec. Perhaps you don't display your determination in French, but it certainly shows in track. And Alec, you are sincere, both in your likes + dislikes. Sincerity will carry you farther with your friends than almost any quality you could possess. Hope you don't miss your share of happiness. With friendship,
Karen Bates.

Our Sophomore Year

Returning to West Valley this fall we again were ready to dig into our school work. Even though we were busy

studying, we saw members of our class represented in Latin Club, Pepperettes, Choraliers, Thespians and sports.

To lead the way we elected Vic Hoover, president; Jerry Havens, vice-president; and Dianne Joireman, secretary-treasurer.

We are anxiously waiting for the first time we will be able to call ourselves "upperclassmen." For along with that day will come the pledge that we will delve whole-heartedly into all the subjects and activities that we will encounter during our last two years.

"Boys' State was held on the campus of Pacific Lutheran near Tacoma. We studied our state and local governments in addition to participating in a fine recreational program."

"Among the recreational facilities were: softball, baseball, tennis, and basketball. The best liked activity of all was Chow, which was exceptionally good."

"The final step at Boys' State was the presenting of diplomas and pins to those who had lived up to the standards and had completed the course."

1961

To the Students of West Valley:

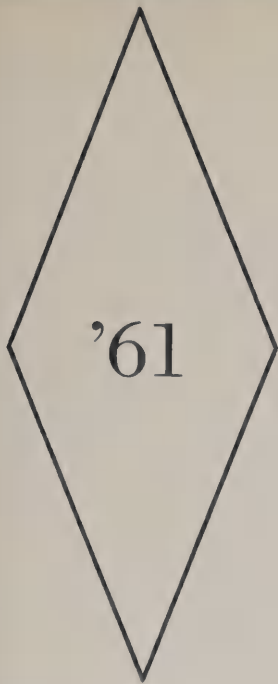

We have endeavored in our work this year to present you, the students, with a record of the fun and work at your school.

We have tried to show our students working together as a group for the betterment of West Valley.

In our attempt to make our 1961 annual one to be remembered, we have changed many traditions and ideas. Not all of these changes will meet with everyone's approval, but we hope these will stimulate West Valley to a New Era of Creative Thinking.

Respectfully yours,

The Editors

I hope we will be able to see each other in the future. How did you like French and Mrs. Hilton? She's quite a person isn't she? I'd like to wish you all the luck in the world. You really deserve it.
